

**COOPERATIVE FIRE PROTECTION AGREEMENT
(FOR IMT MEMBERS & MISCELLANEOUS OVERHEAD)
BETWEEN
CLEVELAND NATIONAL FOREST
AND
OCEANSIDE FIRE DEPARTMENT**

THIS COOPERATIVE FIRE PROTECTION AGREEMENT is made and entered into by and between the USDA Forest Service, Cleveland National Forest, hereinafter referred to as the FOREST SERVICE, and the Rancho Santa Fe Fire Protection District, hereinafter referred to as the DEPARTMENT and jointly referred to as PARTIES under the authority and provisions of the Reciprocal Fire Protection Act of May 27, 1955 (42 USC 1856), the Stafford Act, Public Law 93-288 as amended (42 USC 5121 et. seq.), the Granger-Thye Act of April 24, 1950 (16 USC 572), and the Cooperative Funds and Deposits Act of Dec 12, 1975 (16 USC 565a1-3).

I. PURPOSE

The purpose of this Agreement is to provide for joint participation in Incident Management Teams and for cooperation in the suppression of wildland fires. This Agreement may also be used for the purposes of providing other miscellaneous overhead positions to support incidents.

II. STATEMENT OF MUTUAL BENEFITS AND INTERESTS

It is mutually advantageous, and in the public interest for the PARTIES to coordinate their efforts by participation on Incident Management Teams. Familiarity gained with the Incident Command System (ICS) will institutionalize large incident management techniques across Federal, State and local municipalities so that there will be seamless transitioning between various entities providing emergency services management. It is also mutually advantageous for both PARTIES to provide support and participate in non-fire emergencies of national scope.

Therefore FOREST SERVICE and DEPARTMENT are jointly participating in area and national incident management teams with the goal of cross training, standardization and mutuality of interests that will ultimately benefit the public by increasing large incident management efficiency and effectiveness.

The FOREST SERVICE has the desire to increase total incident management capability by including and utilizing DEPARTMENT resources and skills. The continued encouragement of Local Government employees on IMTs helps to meet this goal.

III. GENERAL PROVISIONS

1. **ANNUAL OPERATING PLANS** The PARTIES will meet annually, prior to the initiation of fire season, to review and update, if necessary, the Annual Operating Plan (AOP). This AOP will specifically identify individuals assigned to Incident Management Teams. Other individuals and/or fire overhead positions may be identified as well for those who will be available for

assignments to support incidents. Specific areas to be addressed in the AOP are (1) current rates for use of FIRE DEPARTMENT personnel, (2) lists of principal personnel, (3) dispatching procedures, and any other items identified in this Agreement as necessary for efficient implementation. This AOP shall become attached to and made a part of this Agreement.

2. **REQUESTED ASSISTANCE** Outside initial attack areas, when requested by the PROTECTING party, the SUPPORTING party will, within their capability, provide initial action or other support on wildland fires. Such requested assistance is reimbursable.
3. **ASSISTANCE BY HIRE** Assistance by Hire is the provision of fire suppression resources, by one PARTY to another, on a reimbursement basis. All requests to hire fire protection assistance must be clear and precise and shall be processed and recorded through the dispatching systems of the PARTIES. Requests not processed in this manner will not be reimbursable. Personnel, equipment, supplies or services provided by the Supporting PARTY and essential to filling the resource order, which are necessary and reasonable, shall be considered as reimbursable as Assistance by Hire. The DEPARTMENT may provide out-of-state assistance to the FOREST SERVICE when requested. Such assistance will be Assistance-by-Hire unless otherwise specified as mutual aid in the AOP pursuant to this agreement.
4. **REPLACEMENT OF FIRE SUPPLIES** Replacement of PARTY-owned supplies that are lost, damaged, or expended may be re-supplied at the incident prior to demobilization and according to established procedures. Items not available at the incident will be documented and an "S" number will be issued to authorize replacement after the resource leaves the incident.
5. **TRAINING** The PARTIES will cooperate to insure that jointly provided training will produce safe and effective fire and aviation programs. The intent is to provide high quality training that will minimize training costs by sharing of resources, standardization of courses, improve firefighting efficiency and safety. Training also includes participation of fire team members at annual Incident Management Team meetings so members can maintain competency for their specific positions. Each PARTY will bear the cost of training for their respective employees unless specifically addressed in the AOP.
6. **FIRE TRAINING CENTERS** The PARTIES to this Agreement agree to reimburse (or bill) the other PARTY for fire training rendered at PARTY'S training center(s). 7. **BILLING PROCEDURES** Reimbursements will be limited to the provisions of the Agreement and AOP, regardless of whether or not it is authorized on the Resource Order or other documentation produced by the incident.

The Supporting PARTY will bill the Protecting PARTY for costs incurred for assistance provided. Reimbursable costs may also include transportation, salary, benefits, overtime, and

per diem of supporting agency personnel. Rates and conditions of use for the equipment and personnel will be mutually agreed to and documented in the AOP. The costs of "backfilling" employees of either PARTY into local home unit positions for personnel that have been mobilized to incidents are not reimbursable.

PARTIES shall submit a bill within 90 days of the incident.

PARTIES must use their own invoice for billing under this Agreement to avoid any confusion with other services that may have been ordered under other agreements(s). **For the purpose of this Agreement, OES F-42 is not an acceptable support document.** Invoices must identify Supporting PARTY name, address, and Taxpayer Identification Number (DEPARTMENT only), fire name, order and request number, and bill number and amount.
